

CONSUMERS POWER INC.

**Energy Efficient Sprinkler Equipment
Application for Rebate**

Agriculture Conservation
Consumers Power Inc.

Consumers Power is partnering with the Bonneville Power Administration (BPA) to offer cash rebates to install qualifying new irrigated agriculture system components including pressure regulators, nozzles, sprinklers, gaskets, and more.

Easy Steps for Participation:

- 1) Purchase and install the qualifying irrigation system components.
- 2) Complete, sign, and submit the Irrigation Efficiency Measures table, Rebate Application, and the supporting receipts/invoices for any qualifying equipment. Receipt must list brand, model number, or other identifying information. All information must be completed below to qualify.
- 3) Mail the Rebate Application and Customer Invoices, within 90 days of purchase, to:

**Agriculture Conservation
P.O. Box 1180
Philomath, OR 97370**

- 4) Once the installation has been verified and/or inspected, your application will be processed within 30 days.

1. Customer Information				
Customer Account Name		Contact Name		Phone Number
Service Address		City	State	Zip
CPI Irrigation Account #	Pump Meter #	Acres Irrigated	Pump HP	

2. Sprinkler Equipment Rebate Table			
Measure Description	Rebate per Unit (a)	Est. kWh Savings per Unit (b)	No. of Units (c)
Replace leaking impact sprinkler with rebuilt or new impact sprinkler. Limited to two units per irrigated acre for solid set sprinklers.	\$1.00 / sprinkler	4.28	
New nozzle for wheel or hand-line systems.	\$3.00 / nozzle	33.15	
New rotating type sprinklers that replace impact sprinklers. (Entire pivot must be upgraded. Flow may not be increased.)	\$1.00 / sprinkler	23.52	
Replace leaking pipe section gaskets for wheel or hand lines, or portable main-lines with new gasket.	\$4.00 / gasket	21.39	
New rotating type sprinklers that replace low-pressure models. (Entire pivot must be upgraded. Flow may not be increased.)	\$1.00 / sprinkler	23.52	
Replace leaking drain gaskets with new gaskets on wheel and hand lines, lateral moves, or pivots.	\$3.00 / drain	13.9	
New hubs for wheel-lines. (Entire wheel-line must be upgraded.)	\$7.00 / hub	34.22	
Replace leaking center-pivot base boot gasket with new gasket.	\$275.00 / pivot	2369.52	
Pipe repair of leaking hand and wheel lines and portable mainlines.	\$12.00 / pipe section	59.88	
Rebuild or replace leaking or malfunctioning leveler with new or rebuilt wheel line leveler.	\$1.00 / leveler	5.35	
Tower/span/pivot-flex gasket	\$2.00 / gasket	7.48	

3. General Information
Rebate amounts are designed to help with the cost of maintaining an efficient irrigation system. Please note that you will not receive a rebate greater than the amount you paid per item.

4. Applicant Agreement (please initial)	
<input type="checkbox"/>	The system is used for irrigation of agricultural crops or pasturage.
<input type="checkbox"/>	The designated sprinkler parts have been purchased for the sprinkler system at the specified metered service location.
<input type="checkbox"/>	An itemized receipt or invoice identifying the new equipment purchased accompanies this rebate application.
<input type="checkbox"/>	I, the undersigned, am authorized to make this application for rebate funds.
<input type="checkbox"/>	I will provide whatever additional documentation needed to verify the application for funds.
